INSTITUTE EXPECTATIONS FORM – FORM 2

1. Course Name	Semester Internship
2. Course Code	XX3405 (Where XX is the Branch Code)
3. Credits	6 Credits
4. Intended For	BTech/BDes Program
5. Semester	6th Semester
6. Description	<p>a) This course is optional for the Undergraduate students in their Sixth semester to enable them to do a semester-long internship in Industry/Research lab and gain industrial experience. Students can earn 6 credits through a semester-long internship in Industries/Research lab, both within India and abroad. Students can work on their innovative ideas and not only earn 6 credits, but also get funding from the institute for such projects under BUILD Projects (BUILD: Bold and Unique Ideas Leading to Development). This course opens up opportunities for students to work intensely with the Industry/Research Labs.</p> <p>b) No courses to be taken during the semester long internship.</p> <p>c) The student must intimate the name and contact details of a mentor from the organization where the internship is to be carried out, within 2 weeks of starting the internship to their FA and DUGC.</p> <p>d) The student has to get a letter from the industry/institute giving internship that the industry/institute will allow the student to submit an internship report to the evaluation committee at IITH.</p>
6. Evaluation	<p>a) A report (ideally 4 pages, in standard format) on the work done during internship should be submitted by the student to their Faculty Advisor.</p> <p>b) The student needs to include a duly signed certificate of internship completion from the mentor in the report submitted to the FA.</p> <p>c) Any further requirement for evaluation if deemed necessary by the Faculty Advisor may be included in the evaluation pattern.</p> <p>d) The evaluation outcomes can be either Satisfactory or Unsatisfactory.</p>
