	My questions are regarding the Master of Technology (M.Tech) 2-year study program (MT-CS-TA) offered by the department of computer science and engineering. Kindly provide answers to the following questions:	These are all as per Institute rules; there is no deviation for CSE.
a	What are the minimum and maximum durations (in years) of the above-mentioned study program?	
b	If the minimum and maximum durations of the above-mentioned study program are different, under what circumstances a student can extend the study beyond the minimum duration of the course?	
c	What is the minimum number of courses, in which if a student fails during the above-mentioned study program, gets expelled from the course?	
d	If a student fails a course in the study program, is he/she required to take the classes of the same course again in next semesters?	

If you are not satisfied with the information provided, you may file an appeal with the following authority with in 30 days:
