Department of Civil Engineering at IIT Hyderabad

is now accepting applications for

- **3-Year M.Tech under Project funding** for **January 2027** session in the following specializations

GENERAL INFORMATION

- **For 3-Year M. Tech:** Admissions will be based on the written test / personal interview. Applicants should have a Bachelor's Degree, and a valid GATE score in Civil Engineering. Valid GATE score is optional with 6 months of experience at IITH.
- 3-year M. Tech admissions are offered only in **Structural Engineering, Hydraulics and Water Resources Engineering, Geotechnical Engineering and Transportation Engineering.** Only the first preference of chosen specialization filled in the application form will be considered.
- IIT Graduates - Do not need a GATE score for admissions but must have a CGPA of 8.00.
- The selected applicants will have to provide research / teaching assistance of up to 8 hours per week.

RESERVATION

- The reservation of the seats will be made as per the Government of India norms.

HOW TO APPLY

- Interested applicants should fill in the application form online at http://www.iith.ac.in/mtechadmissions on or before the deadline.
- Please check the institute webpage: www.iith.ac.in for the deadline.

RESULTS

- List of selected applicants under each round will be released from time to time.
- Selected applicants will be communicated through e-mails.
- The list will also be made available on the departmental web page.
- Applicants should ensure the accuracy of the email provided and check their email regularly for updates.
