		[Age limit is relaxed as per norms in the case of candidates belonging to SC/ST/OBC, women and physically handicapped candidates.]
--	--	--

Application procedure: Prepare a single PDF file containing the following documents/information:

- A Curriculum Vitae detailing your education and experience
- Degree mark sheets/transcripts, relevant national exam scorecard
- A cover letter (maximum one page) describing your background, experience, and how they are relevant to this project and/or our lab research theme.
- Contact details of two references

Email the application file to Dr. Indranil Malik at indranil@bt.iith.ac.in

Please write “**Application for JRF IITH-Malik lab_<_applicant’s name_>**” in the subject line of your email.

Deadline: 29.10.2025

Selection process:

- Candidates will be shortlisted based on merit, project requirements, and interview performance. [Note - candidates should upload their CV with details of education, experience, publications, awards, etc.]
- Shortlisted candidates will be called for an interview (via email).
- Online Interviews will be held within a few days of the application deadline.
- The selected candidate will be informed by email.
- The selected candidate is required to join immediately.
- Candidates with prior experience in the relevant area will be given preference.
- Request to change the interview date/time will not be entertained.
- The decision of the selection committee will be final.
- The appointment of the candidate will be governed by the terms and conditions of the Institute/ funding agency, particularly applicable to the said project, as and when required.
- The above position is purely temporary, and the offer may be terminated with a 30-day notice before completion of the tenure if performance is not deemed satisfactory.
- IIT Hyderabad reserves the right to cancel notice/modify the process at any time, at its discretion.
