

Open position for recruitment at CoDE IIT Hyderabad

(September 2026)

Project Manager

Salary: [80,000- 1,00,000] per month (consolidated)

Location: CoDE Studio, IIT Hyderabad

Minimum Qualification:

- Master's degree (M.Des / M.Tech / MBA) with at least 2 years of experience in project management or project coordination.

Preferred Qualifications:

- Experience managing multi-stakeholder projects with MSMEs, startups, or industry partners.
- Experience working on full ownership of projects.
- Working knowledge of project management tools (e.g., Notion, Asana, MS Project) and budget tracking.
- Exposure to design-led, craft, or technology-based projects.

Roles & Responsibilities:

- Project Planning & Execution: Plan, schedule, and oversee CoDE projects from initiation to delivery, ensuring timelines, scope, and quality are met.
- Team Coordination: Assign tasks and coordinate workflows across the design, engineering, media, and finance teams, and track progress against milestones.
- Stakeholder Management: Act as the primary point of contact for MSMEs, startups, industry partners, and government agencies on ongoing projects.
- Budget & Resource Management: Work with the finance team to plan and monitor project budgets, resource allocation, and utilisation.
- Reporting & Compliance: Prepare progress and utilisation reports for the Ministry of MSME, the RAMP Program, and CSR sponsors, and attend review meetings.
- Programs & Events: Coordinate workshops, training programs, design clinics, exhibitions, and outreach activities of CoDE.
- Proposals & Partnerships: Support the preparation of project proposals, funding applications, and MoUs with partner organisations.
- Mentoring: Mentor interns and junior team members, and streamline documentation and internal processes.

Instructions for applications:

Please fill the Google form in the link below to apply for the role : <https://forms.gle/2EtuVf51xn9L9QK79>

Please note that :

- Final salaries might be based on overall profile and work experience.
- No email communication will be provided for rejected candidates.
- IIT Hyderabad has limited accommodation facilities which can be provided on payment basis depending on the availability. Selection for a role does not guarantee an accommodation inside the campus premises. Candidates are requested to arrange for their own accommodation otherwise.

About CoDE IITH :

CoDE represents a strategic collaboration between academia and the MSME industry, focusing on enhancing industrial capabilities through innovative design solutions. Leveraging the expertise of IIT Hyderabad's Design Department, a skilled team of designers, and state-of-the-art research labs, we aim to meet the design needs of MSMEs and startups in Telangana.

Focus Areas of CoDE:

- New Product Innovations
- Sustainable Infrastructure and Smart Cities
- Emerging Technologies (UI/UX, VR, AR, MR, AI, etc.)
- Graphics, Branding, and Strategy
- Crafts and Culture
- Film & Animation
