

## **Advertisement for the position of Junior Research Fellow (JRF) in Mechanical and Aerospace Engineering Department**

Applications are invited from eligible candidates for a temporary position of Junior Research Fellow (JRF) in the project entitled “**Study of cavitation bubble induced vortex rings and bubble behavior between curved boundaries**” sponsored by SERB, Department of Science and Technology to be conducted at the Department of Mechanical and Aerospace Engineering, IIT Hyderabad.

**Name of the Position:** Junior Research Fellow (JRF)

**Minimum Qualification:** M.Tech in Mechanical Engineering (Thermo-Fluid or equivalent specialization preferred) or B.Tech in Mechanical Engineering with a valid GATE score

**Emoluments:** Rs. 31000 per month + HRA

**Duration of employment:** The position is purely temporary and is initially for a period of 1 year subject to renewal depending on performance up to the duration of the project i.e. 3 years.

The selected JRF will be encouraged to apply for and enroll for the Ph.D. program (if admitted) in MAE department of IITH, in the next available admission round.

**Age limit:** 35 years

**How to apply:** Eligible candidates may send their bio-data to Dr. Badarinath Karri, Department of Mechanical Engineering, IIT Hyderabad, by email ([badarinath@mae.iith.ac.in](mailto:badarinath@mae.iith.ac.in)) on or before **27th January 2022**. Shortlisted candidates will be invited for an online interview whose details will be communicated to them. No traveling or any other allowances is admissible for attending the interview.
