

Designation/Position – Postdoctoral Research Fellow at IIT Hyderabad

Indian Institute of Technology Hyderabad invites applications for a Postdoctoral Research Fellowship from eligible and interested candidates.

Research/Job Area – Civil Engineering/Construction Materials

Location – IIT Hyderabad

Eligibility/Qualification

Minimum Qualifications	PhD in Civil Engineering
Essential Requirements	Expertise in Digital Image Correlation (DIC) - 2D and 3D
Desirable Experience	Continuous internal reinforcement of concrete; fracture testing and inverse analysis
Age Limit	35 years

Job/Position Description

Applications are invited for a time-bound project appointment under the following project.

Title of the Project	Mechanical Characterization of Large-scale 3D Printed Assemblies
PI	Prof. K.V.L. Subramaniam
Department	Civil Engineering
Post	Research Associate 2 (1 Year)
Fellowship	Rs. 67,000 per month + HRA (27%, if applicable)
	The candidate is expected to lead an effort in setting up the testing protocol, development of field-scale reinforced 3D printed concrete assemblies, and evaluation of their mechanical properties

How to Apply –

Eligible applicants shall fill out the following Google Form on or before 25 Sep 2026.

<https://docs.google.com/forms/d/e/1FAIpQLSc4IZTNRahxycxmmG4RqUhXsF83MC7tRohYzFdV2h2vkKuNTA/viewform?usp=dialog>

Selection

Candidates will be short-listed based on their academic record/achievements, and only shortlisted candidates will be intimated via e-mail for an online interview with the selection committee.

Last date to apply – 25 Sep 2026
