

**Department of Materials Science and Metallurgical Engineering**  
**Indian Institute of Technology Hyderabad**

---

**Vacancy for the Position of JRF in the Department of MSME**

**Wednesday, January 21, 2026**

A JRF position is available in the Department of MSME, IIT Hyderabad to work on the following BRNS-sponsored projects titled:

**Microstructure-Texture-Property Correlation in Zr-Nb and Zr-Sn Alloys Processed by Warm-rolling**

**Eligibility:** The ideal candidate should be

- a) GATE qualified with B.E./B.Tech. in Metallurgical/Ceramics/Mechanical/Production Engineering/Nanoscience and Technology

**OR**

- b) Students who graduated (B.Tech.) from CFTIs (IITs, NITs, IISc, IISERs & CFTIs) in Metallurgical/Ceramics/Mechanical/Production Engineering with CGPA 8.0 or more without a GATE score.

**OR**

- c) M.E./M.Tech. in Metallurgical/Ceramic//Materials/Mechanical (**only Design/Manufacturing specializations**)/ Production Engineering/Nanoscience and Technology

**Candidates from other backgrounds/specializations will not be considered and need not apply.**

The maximum age limit is 28 years on the application date. Candidates from scheduled castes/tribes, OBCs, and those with physical disabilities may be granted age relaxation as per the current Government of India rules.

**Desirable:**

- 1) Strong background in the areas of Physical/Mechanical Metallurgy/Materials Processing will be highly desirable
- 2) The ideal candidate should have proficiency in scientific writing

**The selected candidate must register in the PhD program in the Department of Materials Science and Metallurgical Engineering at IIT Hyderabad, subjected to the fulfillment of the requirements for the PhD program.**

**Salary:** Rs . 37,00/month for the first two years and Rs . 42,000/month (SRF) for the third year.

**Duration:** 3 years and extendable up to one further year (subjected to satisfactory performance), supported by IITH.

Interested candidates may apply online using the link: <https://forms.gle/F21qrsYzJSfQGwZd7>
