Research Associate III

Applications are invited for the position of Research Associate III (equivalent to a Postdoctoral Research Scholar) to work in the research group led by Dr. Arunabha Majumdar at the Department of Mathematics, IIT Hyderabad.

Further details about the lab can be found at:

<https://sites.google.com/site/arunabhastat?pli=1>

The position is funded by an Advanced Research Grant awarded by the Anusandhan National Research Foundation (ANRF).

Project Title

Novel Bayesian statistical methods and software tools for transcriptome-wide association study while calibrating the uncertainty of predicted expression.

Eligibility Criteria

- At least one research publication
- Ph.D. in Statistics (degree awarded or thesis submitted)
- Familiarity with Bayesian Statistics is desirable but not mandatory.

Application Process

Interested candidates should email their application to: arun.majum@math.iith.ac.in

Please include the following documents:

- Detailed Curriculum Vitae (CV)
- Letter of Interest
- Brief Research Statement

Status

Open
