rank below  
500**

**Full tuition fee waiver for the first year,  
which will be continued for the next 3  
years too if the CGPA is maintained as  
8.5 or above every year**

# Why to choose IITH

## Unique B.Tech Programs

- Engineering Sciences
- IC Design & Technology
- Computational Engineering

### Reimbursements

Reimbursement of laptop cost to all EWS students up to Rs. 50,000 purchased after joining IITH

Reimburse bicycle cost to all students up to Rs. 4,000 purchased after joining IITH

## Other Highlights

### → Flexibility in learning

Fractal Academics that encourages flexibility in learning. A flexible BTech curriculum that has 10% credits for basic sciences, 10% basic engineering, 60% professional major, 10% liberal/creative arts and 10% free electives.

### → Double Major in Entrepreneurship

Minor and Double major in every branch of engineering, including a double major in entrepreneurship.

### → Exit option with Diploma

Offers Diploma to a UG student after completing 50% of credits with an option to come back within 5 years to complete the remaining 50% credits.

### → Early Exit for Brilliant Students

A BTech student who completes all credits within 3 years with 8.5+ CGPA can pass out with a degree without the need to stay all 4 years.

### → Interdisciplinary MTech

Many interdisciplinary MTech programs, including Techno-Entrepreneurship, are available for BTech students to opt for Dual Degree (BTech+MTech) at the end of 3rd year.

# Departments

- Artificial Intelligence
- Biomedical Engineering
- Biotechnology
- Chemical Engineering
- Chemistry
- Civil Engineering
- Computer Science & Engineering
- Design
- Electrical Engineering
- Entrepreneurship and Management
- Liberal Arts

- Materials Science & Metallurgical Engineering
- Mathematics
- Mechanical & Aerospace Engineering
- Physics

## Virtual Departments :

- Engineering Science
- Climate Change
- Heritage Science and Technology

# Campus facilities

- 24X7 Hospital & Pharmacy
- SBI, Canara Bank, HDFC and ICICI Banks on campus
- Recreation center
- Tinkerer's lab
- E-Cell
- Supermarket
- World class indoor and outdoor sports facilities
- Olympic size Swimming Pool
- Cultural amenities
- Post Office
- Open Air Theatre with 40x20 ft LED screen
- Cafeteria (Domino's, Subway, Amul etc.,)
- Vending Machines
- Speciality Clinics
