Shastri Bhawan, New Delhi

Sub: LSUSQ No. 1835 for answer on 13.02.2023 regarding Research Park at IIT, Hyderabad

Ref: Email dated 07 Feb 23 received from Shri Mohit Gupta, Section Officer (IITs)

Dear Ms. Kavita Chauhan Ji,

With reference to the email cited above, the point wise reply sought pertaining to IIT Hyderabad on the subject above is as follows:

a) whether the Government has proposed to have a Research Park at Indian Institute of Technology (IIT), Hyderabad;

Reply: The Government has granted the setting up of Research Park in IITH in 2017.

(b) if so, the details thereof; and

Reply: The setting up of Research Park was approved in 2017 at a cost of Rs. 75.00 Crores towards construction of the facility with funding from MoE (erstwhile MHRD).

(c) the details of the activities that are likely to be taken up in the above Research Park and the time by which this park likely to become functional?

Reply: Research Park allows companies/ organizations to take space in its premises so as to interact with IITH fraternity including students, research scholars, faculty, etc., to enable interaction of Academia and Industry. The Research Park started its operations from a temporary facility in 2018 and has begun operations from the permanent TRP from 2022 onwards. A few companies that have been allotted space in the TRP building are listed below:

S.No.	Name of the Company
1	Plianto - Education software
2	SIC - Suzuki Innovation Centre
3	Dhruva Space – Microsatellites

4	Wisig - 5G & Next Gen wireless
5	HC Robotics – Robotics
6	Sigma HSE - UK-based pharma company
7	CCE - IITH - Skilled manpower training
8	Crystal Ball AI - Drones for various applications

Yours faithfully,

Cmdr. Manohar Nambiar (Retd.)
