Admission Process twice a year: We conduct the admission process twice a year July & January for Ph.D & M.Tech to ensure all seats which have been left vacant in July session get filled in January session.

Open Day: IITH organizes open day sessions every year for underprivileged and marginalized school students belonging to nearby villages to ensure the awareness of various courses offered by IITH, Science & Technology, Infrastructure etc. Further the visiting students also gain a unique perspective of science and technology by interacting in the Q&A session and voluntarily participating in live experiments. Even during Covid pandemic, IITH has conducted an online awareness session for B Tech aspirants - Online Open House for the B.Tech aspirants 2020.

Centralized admission process: We have Centralized Admission platforms /bodies like JOSSA for B.Tech ,UCEED for B.des, JAM for M.Sc & COEP for M.tech programs to ensure smooth & fair admission process across the nation and ensure that seats are not left vacant.

This is for your kind information.
